They take advantage of tourists and give Riga and its nightlife an undeserved bad reputation. These are the bars and clubs in Riga that are the reason for many of the negative blogs and reviews you read on the internet. Visit the nightclubs and bars in Riga on our recommended list and you will not have any problems partying in Riga.

Rip Off Joints in Riga Listed below:

Bar	Located
Foxy Lounge	Below fashion club
Roxy Club	Kalku 24
Lord Pub	Kalku 22

Mary	Audeju 13
Saxon	Laipu 7
Zig Zag	Marstalu 12
Bar Fly	Vagnera 8

Below we have listed some bars that have a 'no entrance to tourists door policy'. As I have stated in my insight to Riga's Nightlife, a lot of changes have occurred in relatively short time in Riga and some bars have made the business decision to solely cater for a domestic crowd. May not seem particularly diplomatic and perhaps their mindset will change for now. But for time being lets respect their policy and party in places in Riga where you are most certainly welcome.

Scandal	Kalku 12/14
Coyote Fly	Palasta 3
Cuba Cafe **	Jauniela 15

** (Cuba Cafe - small groups of tourists (up to 4 people) would probably be granted admission but large groups would certainly be not allowed in)
